This is to certify that the attached translation from English into Italian is an accurate representation of the documents received by this office.

The documents are designated as:

- *Music Therapy section of GT manual updated may 10 2017.docx
- **Music Therapy Performance Plan final may 9 2017.docx

*The sentence on page 9: “The music therapy component of the Gait Trainer 3 should only be utilized by a credentialed music therapist” doesn’t apply to the Italian market, and it was deleted per request of client internal reviewer.

**The sentence on page 2: “It is important to complete the majority of the music discussion prior to the beginning of gait training. Typically, the patient will fatigue and the data will not be as accurate during walking while you are attempting to establish preference/context and set up the music.” was adapted for the Italian market as per request of client internal reviewer.
