

Vonco Medical and Biodex Help Gamble Guest Care Upgrade Their Skilled Nursing Rehabilitation Centers

Carrollton, TX -- (ReleaseWire) -- 03/09/2015 -- Shreveport, LA Vonco Medical a leading provider of new and quality pre-owned and refurbished physical therapy, rehabilitation and medical equipment sales and support and Biodex recently partnered to provide Gamble Guest Care in Shreveport, LA with a 2 day continuing education course in which professionals from both Vonco and Biodex as well as an expert occupational therapist were flown in to oversee the training. More than 50 physical therapist attended the event which unveiled a major upgrade to Gamble Guest Care's rehabilitation facilities to the latest in Biodex Balance and rehabilitation products.

The two day session covered the included product demonstrations and information about the Biodex Balance System, Biodex Gait Trainer and the Biodex Unweighing systems.

Tyler Oglesby, sales manager for Vonco Medical stated "It is amazing to see the commitment that organizations such as Gamble Guest Care have when it comes to providing their residents with the latest in physical medicine and rehabilitation equipment. Combined with training and support from our team at Vonco Medical and Biodex, we are proud to say that each individual resident's needs will be more than met at Gamble."

About Vonco Medical

Vonco Medical was founded by Steve, Spence and Stan Von Strohe in 1990. The Vonco sales team has combined over 100 years sales experience combined with reps nationwide. Vonco's philosophy is that customers should be treated more like family than numbers in a sales ledger. This may be the reason more than 7,500 rehabilitation facilities nationwide call themselves "satisfied customers".

"The Vonco Advantage" Along with sales and product consulting; Vonco goes the extra mile and prides itself on installations. We setup, install, and assemble equipment on site, provide training and marketing material after the initial sale.
